Flag Football

General Rules

Gameplay Principles

The most important principle of the rules is to **avoid any significant and impactful contact**.

The first important aspect of this principle is to make the flags an easy target. The runner is restricted from using anything other than legal flags and legal tactics (e.g. spinning) to restrict an opponent's access to their flags. In return the flag puller must take all reasonable steps to minimize contact during the act of removing the flag from an opponent.

The second important aspect of this principle is Right of Place (RoP) and Right of Way (RoW), which determine who is charged with avoiding contact. As a general rule, priority is given to the offense up to the point before the ball is passed or handed off and to the defense thereafter. However, these rights must not be abused to provoke contact. Intentionally contacting an opponent, even with RoW priority, will be penalized. Ball carrier must try to avoid defenders. Defenders cannot jump in front of a ball carrier and declare RoP. RoP can be clearly defined at the snap or if a position is taken with regard to an opponent that clearly gives the ball carrier enough time to avoid the defender.

Positioning Principles

Right of Place (RoP) and Right of Way (RoW), as defined earlier, offer an excellent starting point for understanding the interaction between offensive and defensive players on the football field. Here is the order of RoP and various Rights of way.

1. Right of place
2. Right of way of Rusher to the Quarterback
3. Right of way of receivers
4. Right of way

Equipment

The dimensions and type of football to be used among the different age groups and levels of play may vary.

Cleat specifications are liberal but sharp edges on any part of the footwear may cause removal of the footwear at the discretion of the Referee.

Safety

The Flag Rules Committee considers all players to be responsible for the safety of their opponents as well as their teammates. It is imperative that each player exercise control to avoid bodily contact or minimize inevitable contact.

Measurements

All measurements in this rule book are described in the imperial scale.

When field markings dictate the use of metric measurements, all designated distances contained herein, with the exception of those noted below, and may be converted at par from yards to meters. Thus, a 15-yard penalty will become a 15 meter penalty, and the offensive team must gain 10 meters, as compared to 10-yards, for a first down. In both imperial and metric measure, only 3 downs are allowed to gain the required distance for a first down.

Ethical Play

It is customary in flag football when a player removes an opponent's flag to end a play, the player must first hold up the flag to show the referee and hand the flag back to the respective opponent. To toss a flag aside or to the ground for the opponent to pick up is considered unsportsmanlike conduct.

The football player who intentionally violates a rule is guilty of unfair play and unsportsmanlike conduct; and whether they escape being penalized; they bring discredit to the good name of the game, which is their duty as a player to uphold.

Rules alone cannot accomplish fair play. Only the continued best efforts by coaches, players, officials and all friends of the game can preserve the high ethical standards set by the game of football.

All players are responsible for the safety of their opponents as well as their teammates; therefore, they must balance their aggressiveness with a measure of control to avoid bodily contact or at least minimize any contact that does occur. Coaches will emphasize safety and fair play at all times. Officials are to exercise no leniency in penalizing the infractions described in the rules and regulations, for to refrain from doing so would serve to condone dangerous play.

Football Canada is designated as a True Sport and with that adopt 4 core values: fairness, excellence, inclusion and fun.

Rule Changes — 2024

Rule 2 – 1 – 1.4

- 1.4 Team members must stay in the team bench area or be penalized for objectionable conduct or Leaving Team Area unless they are given permission by an official to leave the area or are entering the field during the legal substitution as a player. Only team members are allowed to stay in the team bench area; anyone else in the area must leave immediately or the team will be penalized for objectionable conduct.

Rule 2 – 4 – 4.3

- 4.3 Players are not permitted to use adhesive material, paint, grease or any other slippery or sticky substance applied to equipment or on a player's person, clothing or attachments that affects the ball or an opponent.

Rule 2 – 5 – 5.10

After an injury, the clock will start with the "Ready for Play" whistle from the Referee or on the snap of the ball depending on the state of the clock prior to the injury. See Pro Clock and Play Clock sections.

Rule 4 – 8 – 8.2

- 8.2 At or following the 2-minute mark of the 2nd half, if the difference in score between the two teams is 25-points or more, the clock will be running time for the remainder of the game, except for injuries and timeouts.

- 2.11 Forward passes and handoffs are allowed behind the line of scrimmage. The offense may elect to throw a legal forward pass after a handoff has taken place. *See Legal Forward Pass.*

Rule 5 – 2 – 2.15

- 2.15 Prior to a forward pass or forward handoff, the offense may use multiple handoffs, laterals, or passes behind the line of scrimmage.

Rule 5 – 2 – 2.18

- 2.18 Once an offensive play starts in the No Run Zone, the No Run Zone rules apply for the remainder of the possession or until a touchdown is scored.

Rule 5 – 3 – 3.2 & 3.3

- 3.2 The ball is considered to be in the end zone when any part of the ball touches the plane of the goal line.
3.3 When the ball is in the end zone, it is considered to be still in the end zone until the entirety of the ball has passed the plane of the goal line.

Grey shaded type denotes a change from the last rule book based on the new rule changes or clarifications for 2024.

Rule 10 – 1 – 1.6

- 1.6 The player who takes a handoff can throw the ball from behind the line of scrimmage.

Rule 10 – 1 – 1.11

- 1.11 The ball is spotted at the location of the ball when the ball carrier's flag has been pulled. The ball shall be placed so the long axis is parallel to the sidelines.

Rule 10 – 1 – 1.12

- 3 The Referee is responsible for the adherence to the rules and regulations by both teams and all officials. The Referee will make the final decision on any on-field situation not covered by the rules and regulations. All officials should strive to maintain a safe environment for the players.
- 4 At any time during the game, if a referee feels that continuing to play the game at hand may jeopardize a player's safety, the official may remove that player from the game immediately. An explanation should be included on the game sheet as to the reason why the player was removed. A referee's decision in this matter is final and cannot be challenged by the player affected or his/her teammates. Teams/players wishing to protest an official's decision must do so in writing to the League Executive within 48 hours of the conclusion of the game.
- 5 A participant (player or official), suffering from a wound or laceration, where oozing or bleeding occurs, must leave the playing field until appropriate medical treatment is administered. The referee must approve the participant's return to the playing field.

- 1.2 League/Tournament organizers should decide the ground rules regarding obstructions and inform the teams and officials of these decisions in writing prior to the season/tournament. When obstructions are not covered by the ground rules, the Referee will consult the teams to arrive at ground rules that are satisfactory to both teams.

The ball is live after the officials have signaled play to begin and the ball has been snapped by the team in possession. The ball will remain live until the ball is ruled dead according to the dead-ball rules. A team cannot advance the ball or score unless the ball is live.

A free ball is a live ball, such as a tipped ball, that is not in a player's possession and can be legally recovered by either team. The ball can be caught and advanced by the same offensive player who initially lost possession or by a defensive player. Any player may recover the ball. The ball is considered to be free from the time it leaves a player's body until the instant it touches the ground.

1.3 Dead Ball

The ball is dead when any of the dead-ball conditions are met. A live ball becomes dead when an official's whistle is blown. The team in possession can advance no further when the ball is dead.

1.4 Substitutions may be made only when ball is dead. If a ball carrier's flag falls off, the play will be whistled dead and the ball will be spotted where the flag fell off. Players are eligible to catch a pass or receive the ball by hand off, toss or pitch if their flag has fallen off but unable to advance. The play will be called dead where the player (with no flag) caught the ball.

1.5 There are no fumbles, if a ball carrier loses possession / fumbles the ball and it touches the ground or into the hands of a defender, the play is whistled dead immediately and the ball is spotted where the player lost possession. If the QB doesn't gain possession of the ball during the snap, the ball will be placed at the line of scrimmage and result in a loss of down or turn over on downs. If an offensive player behind the line of scrimmage does not gain possession of a handoff, toss, pitch or lateral the ball will be placed at the last point of possession and result in a loss of down, turn over on downs, or safety if applicable.

1.6 A play is ruled "dead" when:

- An official blows their whistle.
- Ball carrier's flag is pulled or ball carrier otherwise becomes illegal.
- Ball carrier steps out of bounds
- Ball carrier flag guards dives or jumps
- Points are scored.
- When any part of the ball carrier's body, other than his hand or foot touches the ground.

- When the flag of the player with possession of the ball falls off.
- When a delay of Game, Delay of Pass, Diving, Flag Guarding / Jumping, Illegal Running, Illegal Forward Pass, or Interference penalty occurs.

1.7 When the whistle is blown inadvertently by an official, the play shall stand unless the Head Official decides that the whistle affected the result of the play. They will decide which team is adversely affected by the whistle; that team may choose to let the play stand when the whistle blew or repeat the last play.

1.8 If the Head Official cannot decide which team is adversely affected, the play shall be repeated.

1.9 Any fouls which occur during the play and are allowed to stand will be administered as they would be in a regular play situation. Dead-ball fouls will be administered in all cases.

The grip on the ball must be firm enough to enable the player to stop the rotation of the ball and to exhibit influence over its direction.
- 1.2 A player who leaves the ground to make a catch or interception must have control of the ball when first returning to the ground with any part of the body touching the ground in bounds.

2 Possession of the Ball

- 2.1 A team must have possession of the ball to score a touchdown or to earn a first down. When a team obtains possession from the opponents, they will be awarded a first down where the ball becomes dead. After being awarded a first down, a team keeps possession for 3 downs, unless the opponents gain control of the ball, or either is awarded first down by penalty. During the 3 downs, the team in possession must gain the required distance for first down or score a touchdown, otherwise, they will give up possession.
- 2.2 A player is considered to have possession of the ball if that player has control of the ball. If control of the ball is lost, the player no longer is considered to have possession of the ball.
- 2.3 A team is considered to have possession of the ball when 1 of its players has possession of the ball or awarded possession by the rules. A team loses possession of when the opponents intercepts a pass or gain control of a free ball.
- 2.4 Both offensive and defensive players are not allowed to slap or strip the ball from a ball carrier while it is in their hands or make contact with a receiver's hands while catching the ball.

Rule 9 – The Huddle

1 Huddle

- 1.1 The team on offense has 25 seconds to put the ball in play and teams will be notified verbally when there are 10 seconds left. The officials will give a reasonable period of time for both teams to regroup and will then whistle the 25 seconds period to start. If the ball is not put in play before the end of the 25 seconds, the offense will receive a penalty for a delay of game violation.

Rule 10 – The Running Game

1 Running

- 1.1 The center is the player who gives the ball to the quarterback via a snap. The center cannot take a direct hand off back from the quarterback (no center sneak play). Any violation of this play is an Illegal Run Play penalty.
- 1.2 The center must take a position facing the defense with the feet straddling either side of the bean bag marking the Line of Scrimmage. The ball must be snapped off the ground and between the legs in 1 motion in the direction from toe to heel. Any player who snaps the ball shall be considered as the center.
- 1.3 The line of scrimmage and point of scrimmage shall be determined by the officials according to the dead-ball rules and scrimmage regulations.
- 1.4 The quarterback is the first player who obtains possession of the ball directly from the Center.
- 1.5 A run play occurs when a player crosses the line of scrimmage with the ball without a forward pass being thrown.
- 1.6 The player who takes a handoff can throw the ball from behind the line of scrimmage.
- 1.7 The defensive unit on the field cannot shout terms that would confuse the offense and draw them offside (objectionable conduct).
- 1.8 All defensive players are eligible to rush from anywhere on the field once the ball has been handed off, passed, pitched, lateraled or there is a fake handoff or lateral.
- 1.9 Spinning and dipping is allowed, but the ball carrier cannot dive forward or jump to avoid a defensive player or gain yardage (no diving).
- 1.10 It is up to the ball carrier to avoid contact with the defender.
- 1.11 The ball is spotted at the location of the ball when the ball carrier's flag has been pulled. The ball shall be placed so the long axis is parallel to the sidelines.
- 1.12 The ball cannot be spotted closer than the 1-yard line from either teams end zone.

Rule 11 – Receiving

1 Receiving

- 1.1 All players are eligible to receive passes (including the quarterback if the ball has been handed off, tossed, pitched or lateraled behind the line of scrimmage).
- 1.2 All players must be behind their side of the Line of Scrimmage neutral zone at the snap of the ball. Violation of this occurs if they have stepped into the neutral zone placing 1 or more of their feet on the ground prior to the snap and is an offside penalty.
- 1.3 Any number of players can be in motion when the ball is snapped; only the center must be at the line of scrimmage. Players in motion towards the line of scrimmage will not be considered offside unless they have entered the 1-yard scrimmage neutral zone by placing 1 or more of their feet on the ground at the snap of the ball. If they return back behind their side of the zone before the ball is snapped, they will not be penalized.
- 1.4 A player who goes out of bounds shall not participate further in that play unless that player went out of bounds as a result of a slippery field, missed flag pull, or contact with an opponent.

Rule 12 – Rushing the Quarterback

1 Rushing

- 1.1 All players who rush the passer must be 7-yards for 5v5 and 5-yards for 7v7 from the line of scrimmage at any point after the ball has been snapped. Both the line of scrimmage and the rusher line will be marked with a bean bag. Any number of players can rush the quarterback. Players not rushing the quarterback may defend on the line of scrimmage after the snap. The rusher must rush continuously, in a direct path towards the quarterback if they are in the pocket or are rolling out. Once the ball is handed off, tossed, pitched or lateraled or a fake handoff, toss, pitch or lateral occurs, the 7- or 5-yard rule no longer is in effect and all defenders may go across the line of scrimmage from anywhere on the field.
- 1.2 A rusher lined-up within 2-yards (on either side) of the 7 yard marker (5v5) or 5-yards (7v7) is entitled to a free direct path to the quarterback – the rusher may not be interfered with by any offensive player. If the rusher is lined up outside the 2-yards (on either side) of the 7 yard marker, or they switch the side that they are on once the center is ready to snap the ball, they are not entitled to a free path to the quarterback.
- 1.3 A rusher lined-up within the 2-yards of the rush line marker cannot line up directly over it, they must choose / position themselves on 1 side or the other and be a minimum of 12 inches away from it clearly indicating which side they are rushing from. The rusher will lose their free direct path to the quarterback if they switch the side they are rushing from after the center positions the ball for a snap. Rushers must also ensure that their entire body is behind the rush line marker, even if they are leaning forward.
- 1.4 Any type of accidental or deliberate contact with the quarterback's upper body or their arm including the ball in their hand by the rusher while they are attempting to throw the ball will result in an illegal contact penalty. This also includes any other offensive player who is attempting to throw the ball.

Rule 13 – Flagging

1 Flagging

- 1.1 To prevent the ball carrier from advancing, an opponent must pull off 1 or 2 flags without preventing the ball carrier to move forward. The ball is declared dead at this point. Once the defender has removed a flag, they are to remain in place hold the flag up for the officials to confirm the play has stopped and return the flag to the ball carrier. If a defensive player does not immediately return the flag back to the ball carrier, the official will issue a warning to the captain of the team at fault. If the situation repeats itself, no matter which player is involved, the official will issue an objectionable conduct penalty.
- 1.2 Defensive players are not allowed to pull an opponent's flag prior to them gaining possession- or touching the ball with the intent of gaining possession. This is known as an Illegal Flag Pull penalty. If a flag is pulled early and:
 - The ball is caught, the penalty results in an automatic first down 5-yards from where the ball is caught.
 - The ball is not caught, the penalty results in an automatic first down 5-yards from the line of scrimmage.
- 1.3 The officials will whistle the play dead when they see that a defensive player has removed (flagged) 1 of the flags of the ball carrier. If a ball carrier does not have all his or her flags, the player is eligible to receive the ball, however, they cannot advance it. If a ball carrier's flag is moved out of position by a defender in an attempt to flag them the play will be allowed to continue. Players wearing belted flags must ensure that they are not too loose and cannot move around easily.
- 1.4 An eligible pass receiver who loses a flag at anytime can still receive a forward pass, but the ball will be declared dead at the point of reception. Players winding flags on belts will be warned the first time, next time removed from the game.
- 1.5 A player who flags an opponent that does not cause a stoppage of play must release the flag immediately or else they will be penalized for illegal flag pull. But if the play is stopped on the flag pull, the player must hand the flag back to the player.

Rule 14 – Passing

1 Pass

- 1.1 A pass is when there is a transfer of the ball that has not touched the ground from one player to another player where the ball is not in contact with two players at the same time.
- 1.2 A forward pass is when the pass is aimed towards the opponent's end zone.
- 1.3 A lateral or backwards pass is when the pass is aimed in any direction other than towards the opponent's end zone.

Rule 15 – The Passing Game

1 Passing

- 1.1 The quarterback has 7 seconds to throw the ball after the ball has been snapped. If a pass is not thrown within the 7 seconds, a delay of pass penalty shall be called.
- 1.2 The offensive official will verbalize the 7-second count at 5 seconds for the quarterback so that they can hear / know that time is running out to pass the ball. If the quarterback's arm is in forward motion when the 7-seconds expires, then the play will be allowed to continue.
- 1.3 Once the ball is handed off, tossed, pitched or lateraled or a fake handoff, toss, pitch or lateral occurs, the 7 second rule is no longer in effect.
- 1.4 Only 1 forward pass thrown is allowed in a down.
- 1.5 Interceptions change the possession of the ball.
- 1.6 Shovel passes are allowed.
- 1.7 (5v5 only) Once a player catches a legal forward pass, they are no longer allowed to make another handoff, lateral, or second pass.
- 1.8 Interceptions can be returned by the defense.
- 1.9 On interceptions that occur and remain in the end zone, the ball becomes dead and turned over to the intercepting team at its 5-yard line. (7v7 goes to 10 yd. line)
- 1.10 If a ball is intercepted and the ball carrier runs into their own end zone where they are flagged, except in the case of an inadvertent whistle, the result would be a safety for the other team.

Rule 16 – Complete / Incomplete Passes

1 Complete Pass

- 1.1 A pass is completed when a receiver is in possession of the ball.
- 1.2 When an opponent causes the receiver to land out of bounds and, in the judgment of the officials, the receiver would have touched the ground in bounds without the opponent's action, the receiver will be considered to have landed in bounds. This also applies to first downs and touchdowns within the field of play.
- 1.3 When a receiver has control of the ball even for an instant, then loses control because of bodily contact caused by an opponent or the ground, the receiver will be awarded a complete pass.

2 Simultaneous Possession

- 2.1 A complete pass caught simultaneously by teammates shall be awarded to the teammate who first touched the pass. A completed pass caught simultaneously by players on opposite teams shall be awarded to the player whose team had possession before the pass was caught simultaneously.

3 Tipped Pass

- 3.1 Tipped passes are legal. If the pass is legal, the ball can be advanced when caught.
- 3.2 When a player catches a pass that is tipped by a teammate, play continues and they are allowed to advance the ball.

4 Bobbled Pass

- 4.1 If a receiver tips the ball and gets flagged before getting full possession, the ball is considered dead where the player was flagged.
- 4.2 When the ball carrier accidentally loses control of the ball, then catches it without the ball being touched by another player, the play continues. If the ball carrier was flagged by an opponent after losing control of the ball, the play is considered dead where the ball carrier was flagged.
- 4.3 When the ball carrier deliberately throws the ball into the air, then catches it to avoid being flagged, the ball is dead immediately.

5 Intercepted Pass

- 5.1 Any pass that is incomplete by the team in possession but caught by the opponents is an intercepted pass.

6 Incomplete Pass

- 6.1 Any thrown pass is incomplete and the ball is immediately dead when it touches the ground, the goal post or an official, or goes out of bounds before being caught.

7 Blocked or Deflected Forward Pass

- 7.1 A forward pass that is blocked by a rusher is considered to be an incomplete forward pass when it hits the ground. A deflected pass is ruled a regular forward pass playable by both teams. The offense cannot throw a second forward pass; this will be ruled an Illegal Forward Pass.
- 7.2 On a forward pass thrown by an offensive player that is tipped / blocked by a defensive player and is caught by the same offensive player behind the Line of Scrimmage they can no longer attempt another forward pass and must run with the ball across the Line of Scrimmage.

8 Deliberate Grounding Pass

- 8.1 When the passer deliberately throws the ball out of bounds, or to an area where there is no receiver, in an obvious attempt to avoid a loss of ground, the passer will be penalized for grounding. (7v7 only)
- 8.2 (5v5 only) There is no intentional grounding, however, if in the judgment of the officials, if there is an attempt by the passer to delay the game by their actions, then a penalty for delay of game may be called.

9 Forward Pass vs. Dropped Ball

- 9.1 When the passer attempts a forward pass and loses control of the ball after starting the passing arm in a forward motion and following through with the intended pass motion, the ball is dead when it hits the ground and the play is considered to be an incomplete forward pass.
If the forward motion of the throwing arm had not started when control of the ball was lost, the play is dead at that spot.

Rule 17 – Pass Interference

1 Pass Interference

- 1.1 Pass interference occurs when a player takes away an opponent's positional advantage
- 1.2 Pass interference can apply when the pass is in the air and the player who had positional advantage had a reasonable chance of getting to the arrival point for the ball.
- 1.3 Pass interference by the offense or the defense is illegal. The team that violates the pass interference regulations will be penalized as determined by the official.

2 Contact

- 2.1 A player has committed bodily contact when that player makes contact with an opponent and moves the opponent off stride or away from the opponent's intended direction or position. Contact between opponents is legal provided that the contact results from a simultaneous and legitimate attempt to play the ball and occurs at the arrival point of the pass; this contact is legal only when each player is intent on playing the ball and each player is in an equally favorable position to play the ball.
- 2.2 When contact occurs without moving the opponent off stride or away from the opponent's intended direction or position, pass interference has not occurred; this is incidental contact.

3 Path to the Ball

- 3.1 All players have an equal right to a direct path to the arrival point of the ball. However, a player in an unfavorable position cannot commit bodily contact with an opponent to reach the ball, even if the ball was eventually touched by that player.
- 3.2 A player who is in an equal or advantageous position to play the ball, compared to an opponent, is considered to have the right to the path of the ball. When that right is taken away by an opponent using bodily contact, pass interference has occurred.
- 3.3 A player, who is taking a path or a position on the field in order to catch a pass, or defend against a pass, has a right to that path or position unless an opponent has already taken it. A player who takes an opponent's established path or position using bodily contact is guilty of pass interference.
- 3.4 When 2 opponents cross paths and make contact, the player who had clearly declared the intended path first has the right to that path; the opponent is guilty of pass interference unless the contact was incidental. If the officials cannot determine who declared their path first, pass interference has not occurred.
- 3.5 When opponents get their feet tangled up while running their respective paths causing 1 player to lose balance, a pass interference penalty is not automatic. The relevant positions and intended paths of the players must be taken into account.
- 3.6 In all the above cases, the player who is in the advantageous position to play the ball must continue to display intent to reach the arrival point of the ball. Otherwise, any contact by the opponent in a sincere effort to reach the arrival point of the ball will not be considered pass interference. A deliberate attempt to block the opponent from reaching the arrival point of the ball is pass interference.

4 Pick Play

- 4.1 An offensive player cannot prevent a defensive player from pursuing another offensive player by impeding that defensive player's direct path to the teammate. The defensive player must be moving towards the second offensive player to be considered pursuing that player.
- 4.2 If the first offensive player is playing the ball, that player cannot be considered as impeding the defensive player from pursuing the second offensive player.
- 4.3 Violation of these regulations is pass interference.

5 Stationary Position

- 5.1 Any player who has maintained a stationary position since the ball was snapped shall not be penalized if run into by an opponent.

6 Playing The Ball

- 6.1 A player must be facing the ball as it arrives to be considered to be playing the ball. When the ball strikes a player who is not playing the ball and who is impeding an opponent's approach to the ball, this is pass interference; for the purposes of this regulation, the opponent must be moving towards the ball to be considered impeded.

7 Screening

- 7.1 As the ball arrives in the immediate vicinity of a receiver, a player who is not playing the ball cannot extend the arms or wave a hand in an attempt to distract a receiver, to block a receiver's vision or to touch the ball. Violation of this rule in pass interference; if the ball is touched or the receiver's direct line of vision to the ball is blocked; this is pass interference.

8 Non-catchable Pass

- 8.1 When an official considers a pass cannot be caught even with extraordinary effort, no pass interference penalty shall be assessed even when pass interference occurs by either team. Therefore no penalty call either way. An official may still call illegal contact if they deem the act to be intentional/severe.

Rule 18 – Sportsmanship / Roughing

1 Sportsmanship

- 1.1 Trash talking / taunting is illegal. (Trash talk is talk that may be offensive to officials, opposing players, teams or spectators.) If trash talking / taunting occurs, the referee will give a 15 yd Major Foul penalty, loss of down or automatic 1st down.
- 1.2 Players cannot cross the line of scrimmage to listen to the opponents' huddle. Players cannot voice signals or make sounds that are intended to confuse the opponents' signals.
- 1.3 (7v7 only) After the center sets the ball for the snap, a defender cannot move directly in front of the center and prevent the center from moving forward after the snap. Any defensive player must be at least 3-yards from the center directly in front of them or 1-yard on either side at the time of the snap if intending to assume a stationary position.

2 Roughing

- 2.1 If the referee witnesses any acts of flagrant contact, tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game.
- 2.2 A player is not allowed to trip an opponent using the arm, lower leg or foot.
- 2.3 After the whistle is blown to indicate the ball is dead, a player is not allowed to run into, throw the body against or deliberately fall upon an opponent.
- 2.4 The ball carrier is not allowed to elbow, shoulder, or throw the body into an opponent or attempt to jump through defenders blocking the path.
- 2.5 A player is not allowed to contact the passer's arm in the throwing motion using bodily contact.
- 2.6 A player is not allowed to use bodily contact on a pass receiver before or after the ball is touched. If the bodily contact was caused by a legitimate attempt to catch or down the ball while both players had equally favorable positions to the ball, no foul has occurred.
- 2.7 A player is not guilty of contacting the receiver if the bodily contact was caused by a sudden stop or change in direction by the opponent and the player made every attempt to diminish the contact.

3 Offensive Language

- 3.1 Any player, team official, or bench occupant, who engages in verbal taunts, insults, or intimidation based on Discriminatory Grounds shall in addition to an objectionable conduct penalty be removed/disqualified for the remainder of the game. Such player, team official or bench occupant shall be subject to such further discipline as the supervising body (ie. League, tournament, etc.) may decide. - 1.2 Players may touch an opponent to feel their relative positioning as long as the opponent is not impeded or redirected. Players may touch the goal posts with their hands if such touching does not help them change their direction.

2 Interference

- 2.1 Interference is when a player impedes an opponent's direct path to the ball, the ball carrier or the intended receiver, with or without contacting the opponent.
- 2.2 A player may assume a stationary position if the intent is obviously to avoid interfering with an opponent. A player may cut across the path of an opponent if the opponent's progress is not impeded or redirected. Violation of these rules is an interference or illegal contact penalty.
- 2.3 When the ball carrier uses stationary teammates as a means of blocking the opponent from getting to the ball carrier, such stationary teammates are not to be penalized for obstruction unless they move from their spot. This includes any interaction between the center and the rusher.
- 2.4 All players have a Right of Way that allows them to move freely on the field and opponents cannot interfere with them.
- 2.5 Players also have a Right of Place which supersedes all other rights on the field when they are stationary and not moving their feet or body to affect the play. If the center snaps the ball and does not move, no penalty shall be called.

3 Illegal Participation

- 3.1 A player who goes out of bounds shall not participate further in that play unless that player went out of bounds as a result of a slippery field, missed flag pull, or contact with an opponent.
- 3.2 Players, coaches, team members, and fans who leave the team/spectator area or enter the playing field which interferes with the ball, officials, or players during play.

In a multiple penalty situation against one team, penalties that stop the play may be declined by the non-offending team if they choose to accept another penalty.
- 1.3 Yardage on penalties, except Major fouls, will not exceed half the distance to the opposing team's goal line from the line of scrimmage. The yardage on a Spot Foul is assessed from where the infraction took place. The ball can never be placed closer than the 1-yard line.

- 1.1 Touchdown: 6 points
- 1.2 Extra point: 1-point (Played from midpoint of 5-yard line only)
- 1.3 Extra point: 2-points (Played from midpoint of 10-yard line only)
- 1.4 Safety: 2-points
- 1.5 Interception return on Extra Point Convert to the opponent's end zone: 2-points + Ball Possession

2 Convert

- 2.1 A convert is scored when a player has legal possession of the ball in the opponent's end zone during a convert attempt.
- 2.2 When a penalty affects the normal point of scrimmage of a convert attempt, the awarding of 1 or 2-points will be based on where the original convert attempt was scrimmaged prior to any penalty application or repeated convert attempt.
- 2.3 If the team chooses the extra point convert from 5-yards, this is within the "No Run Zone".
- 2.4 After the interception, if there is a penalty against the original offense, the yardage will be applied to the intercepting teams next possession.
- 2.5 On a convert, if the defense commits a Pass Interference or Illegal Contact penalty on 2 consecutive plays, the offense will be awarded the points for the convert.

3 Safety Touch

- 3.1 A team scoring a safety touch is awarded 2-points.
- 3.2 A team will score a safety when their opponent is flagged, loses possession of the ball, or goes out of bounds while they are in the end zone.
- 3.3 A safety is not awarded when a player's momentum, while intercepting a pass in the field of play, in the judgment of the officials causes the ball to be brought into the end zone, where it is eventually ruled dead and the intercepting team shall be awarded a first down at the point of the interception.

5v5 Rule 3 – Timing / Overtime

1 Timing

- 1.1 The official game is 40 minutes (2x20 minute halves) in 5v5.
- 1.2 If there is still time on the game clock when the previous play expired, the game will allow for another play barring a penalty or a score.

2 2-Minute Warning

- 2.1 The game clock will be stopped and teams notified when there are 2 minutes left before the end of each half in the game. If a play is about to start or is in progress when the 2 minutes should be called, the play will be allowed to continue and teams will be notified of the time left as soon as the play is completed.

3 Overtime

- 3.1 Overtime will start with a coin toss. The visiting team will call the coin toss. The winner of the toss will choose to start on offense or defense first, or choose the end for the entire overtime period(s). The loser of the toss will choose from one of the remaining options.
- 3.2 The first extra period shall consist of 2 series with each team putting the ball in play by a snap at the midfield line for one series of downs (no first down at middle). Should the defense score during the first series, other than on the try, then the extra period is over.
- 3.3 Each team retains the ball during its series until it scores (including try downs for 1 or 2 points) or exhausts its series of downs. The ball remains alive after a change of team possession until it is declared dead.

- 3.4 If after the first period (with 2 series including tries) the score is still tied, the second and following periods consist of series with each team playing a 1-point try from the 5-yard line. The overtime ends when the score after a period is no longer a tie or the defense scores during the first series of a period.
- 3.5 For the second period, the team's bench who is furthest away from the end chosen may elect to move their bench to the opposite side of the field and closer down to that end.
- 3.6 The team scoring the greater number of points during overtime shall be declared the winner.
- 3.7 No charged team timeouts are allowed during overtime.
- 3.8 Starting from the first period, the order in which each team takes possession for following series will 'snake' (Team A -> Team B, Team B -> Team A, Team A -> Team B, etc.)"

5v5 Rule 4 – Officials

- 1.1 Officials for 5v5 flag are identified as Offensive or Defensive officials with additional Head Official, Score Keeper & Time Keeper responsibilities.
- 1.2 Games are typically played with a minimum of 1 Offensive Official and 1 Defensive Official on the field, however there can be an additional 1 or 2 defensive officials assigned to a game for a maximum of 4. Games can also be played with only 1 official if necessary.
- 1.3 The Head Official can be any official on the field and they have overall responsibility for managing and decisions in the game.
- 1.4 The Score Keeper and Time Keeper responsibilities can be assigned to any of the officials on the field.

7v7 Rule 1 – Field

1 Field Definition and Markings

- 1.1 The field of play shall be 110-yards long by 65-yards wide. In addition there shall be an end zone 20-yards long at each end. These areas shall be marked as shown in the field diagram.

- 1.2 Sidelines – lines marking the sides of the field.
- 1.3 Hash marks – 2 series of hash marks, parallel to the sidelines and running the length of the field from 1 goal line to the other. Each hash mark is 24-yards from the nearest sideline. The ball must always be snapped between these 2 lines.
- 1.4 Goal Lines – the lines marking the end of the field.
- 1.5 End Zone – the area bounded by the goal line, end zone sidelines and dead line. The goal line is part of the end zone.
- 1.6 Field of Play – the area bounded by the goal lines and the sidelines.
- 1.7 The following lines are parallel to the goal lines, running from 1 sideline to the other, on either side of the midfield line:
- Midfield Line at 55-yards – runs parallel to the goal lines and divides the field of play in 2 identical sections.
 - Dead Line – the line 20-yards behind each goal line and parallel to it.
 - Kick-off line at 45-yards to start at half and after a touchdown. Kick-off line is used after a safety and single point.
 - Starting line at 10-yards of scrimmage after an interception inside the end zone.
 - Convert Line for 2-points at 10-yards.
 - Convert Line for 1-point at 5-yards.

2 Field Dimension & Measurements

2.1 All measurements are in yards and taken from the inside of the lines.

7v7 Rule 2 – Team Members

1 Players

- 1.1 Teams need a minimum of six (6) players to be able to compete and a maximum of seven (7) players on the field at any given time. The official roster size will depend on the guidelines set forth by leagues, national and international tournaments.
- 1.2 Each team may have a maximum of seven (7) players on the field during a play. A team may use a minimum of six (6) players during a play. A team which has more than seven (7) players on the field at any time, while the ball is live shall be penalized for illegal substitution.
- 1.3 A team must have a minimum of six (6) players and a maximum of seven (7) players on the field at the scheduled time or be penalized for delaying the start of the game. The team will forfeit the game by a score of 1-0 if they do not have a minimum of six (6) players and a maximum of seven (7) players on the field within fifteen (15) minutes of the scheduled start of the game.
- 1.4 When a team refuses to start or continue a game at the request of the Referee, it will be penalized for delaying the game. On the 3rd refusal, the team will forfeit the game by a score of 1-0; if the non-forfeiting team is leading at this time the score will stand.
- 1.5 A player is eligible to play, if he/she has arrived prior to the 2nd half kick-off.

2 Captains

- 2.1 Each team is permitted a maximum of 4 team captains

7v7 Rule 3 – Game Procedure

1 General Rules

- 1.1 The game starts with a kick-off (1 team kicks the ball to the opposing team). The receiving team becomes the offensive team and the kicking team becomes the defensive team.
- 1.2 To begin a play, the ball must be snapped by the offensive center, from the point of scrimmage to the quarterback. The quarterback must be at least 5-yards from the line of scrimmage when they first touch the ball.
- 1.3 The offensive team tries to bring the ball to the opponent's end zone by passing or running it (touchdown or kick). The offensive team has 3 tries or downs to gain 10-yards and complete 1 pass. If they succeed, the offensive team has earned a 1st down and gets another set of 3 downs to move the ball downfield. If they do not score or get a 1st down, the offensive team loses possession of the ball and becomes the defensive team.
- 1.4 If the offensive team thinks that they will not get a 1st down, they can decide to give the ball back to the opponent by kicking the ball to them, as far away as possible from their own end zone.
- 1.5 The defensive team on the field tries to prevent the offense from scoring or getting a first down. To do so, they have to stop the ball carrier by flagging him or her or by knocking down a pass before it is completed.
- 1.6 When the defensive team succeeds in preventing the offense from getting a first down or by intercepting a pass, the teams exchange roles on the field. Offense becomes defense and vice versa.
- 1.7 A defensive team can also score points. If the offensive team is stopped in its own end zone, the defense scores a safety. If the defensive team intercepts a pass and runs the ball back to the opponent's end zone, they score a touchdown.
- 1.8 The team that scores a touchdown gets an extra down to try to score a convert: they can choose to try and score either 1 or 2-points on a convert.
- 1.9 After the convert, play resumes with a kick-off by the scoring team (now the defensive team) who will try to prevent the opponent from scoring or getting a 1st down during their ball possession.
- 1.10 The quarterback can run with the ball past the line of scrimmage.
- 1.11 Once the ball carrier has crossed the line of scrimmage the ball can be handed off or lateraled.
- 1.12 An offense may use multiple handoffs behind the line of scrimmage. Only backward & lateral handoffs are allowed during the down.
- 1.13 Forward pass – Ball must be thrown from behind the line of scrimmage to be legal.

2 Choice of Kick-Off

- 2.1 For the first half, the captain of the visiting team shall choose to kick off, receive the kick or defend an end of the field. The captain of the home team shall then choose 1 of the 2 remaining choices.
- 2.2 For the 2nd half, the captain of the home team shall choose to kick off, receive the kick off or defend an end of the field. The captain of the visiting team shall then choose 1 of the 2 remaining choices.
- 2.3 After the captain's choice has been given by the Referee to the opposing captain, the choice cannot be changed.

3 Down

- 3.1 After the ball becomes dead on a kick off, the team in possession shall be awarded a first down and will have 3 attempts or downs to gain 10-yards. The ball shall be advanced by carrying it or throwing it using legal scrimmage play. If the offense gains the required distance in the series of 3 downs, a first down is awarded again.
- 3.2 If the required distance for a first down is not gained in the 3 attempts, the ball is awarded to the defense at the point where the ball becomes dead after the third attempt.
- 3.3 The Referee is the sole judge as to whether or not a first down has been gained by the offense. The captain of either team may ask for a measurement, but the Referee has the authority to ignore the request if the Referee is convinced that a correct decision can be made without the aid of measurement.

4 Equipment

- 4.1 The kicking tee must not raise the lowest part of the ball more than 2 inches off the ground. The penalty is illegal procedure. The kicking team is responsible for removing the kicking tee from the field after the play is dead. Failure to do so will result in an objectionable conduct penalty against the team.

5 Bean Bags

- 5.1 3 bean bags are needed. One to indicate the line of scrimmage and another to indicate the 5 yard rusher's line. A third bean bag of a different color is needed to mark the first down.

7v7 Rule 4 – Timing / Overtime

1 Timing

- 1.1 The game is divided into 4 periods called quarters.
- 1.2 Not counting time outs, the 1st and 3rd quarters consist of 15 minutes.
- 1.3 After 10 minutes of play in the 2nd and 4th quarters (not counting time outs), the referee informs both teams that 2 minutes remain before the last 5 plays of the quarter. Following the 3 minute warning signal (not counting time outs), the referee informs both teams that only 5 plays remain before the end of the half. These 5 plays do not include converts, kick-offs or downs replayed because of a penalty.
- 1.4 The time clock starts on the referee's whistle at the beginning of play in each quarter. The time clock runs continuously except during time outs and the last 5 plays of a half. Otherwise, the time clock can only be stopped and restarted on the head referee's signal.
- 1.5 During the last 5 plays of the 4th quarter, the head referee can stop the game if he or she feels that the security of the players is compromised.
- 1.6 Each half will begin with a kick off from the kicking team's 45-yard line.
The 1st and 3rd quarters will end when no time remains in the period when the ball becomes dead at the end of a legal play.
- 1.7 At the start of the 2nd and 4th quarters, the teams will change ends. The ball will be put into play by the team entitled to do so, at the appropriate point determined by the end of the last play of the previous quarter.
- 1.8 A half shall end when no time remains in the period when the ball becomes dead at the end of a legal play.
- 1.9 The clock must be stopped if the ball falls off the kicking tee.
- 1.10 When a touch down is scored on the final play of a period, the convert attempt must be completed before that period is considered completed.

2 Overtime

- 2.1 When the score is tied at the end of the game, overtime procedures are as follows:
 - A 3-minute rest period is allowed at the end of the 4th quarter;
 - Team captains will assemble for a coin toss (like pre-game); the winner of the coin toss chooses to start on offense or on defense.
 - Each team has 3 attempts to score a 1 or 2 point convert, at their convenience.
- 2.2 If the score is still tied after the 3 convert attempts have been played on each side, there will be a 1-minute rest period. Each team will then have 1 chance at another convert attempt (in the same order) until 1 team outscores the other.

3 Changing Sides

- 3.1 At the end of the 1st and 3rd quarter, the 2 teams change sides on the field.
- 3.2 The team in possession of the ball will then restart the next play at a point corresponding exactly to the point where the ball became dead at the opposite end of the field, and in exactly the same manner as if play had not been interrupted by the end of the previous period.

4 Half Time

- 4.1 At the end of the 2nd quarter, a 5 minute rest period is allowed. With the approval of the captains on both teams and the head referee, the length of the half time period can be modified.

7v7 Rule 5 – Scoring

1 Obtaining Points

- 1.1 Touchdown – 6 points; Safety – 2-points
- 1.2 Single:
A team scores a single (1-point) when 1 of the players kicks the ball:
 - Inside the opponent’s end zone and the play is whistled dead or the ball goes through the end zone or crosses the back line.

or

 - Inside the opponent’s end zone and the ball leaves the end zone by crossing the sideline.
Exception: on a kick-off, the ball must first touch the ground inside the playing field before a single can be awarded.
- 1.3 A team that has conceded a single will take possession of the ball on their own side of the field, 20-yards from midfield, between the 2 hash marks.

7v7 Rule 6 – Kicking Game (U-17 + up)

1 Kicking

- 1.1 A kicked ball is 1 struck by a player’s foot or leg below the knee to intentionally give possession of the ball to the opposing team.
- 1.2 3 types of kicks exist in 7v7 flag football for divisions U-17 and higher. They are: kick-off, punt and free-kick.
- 1.3 When the ball contacts a foot or part of a leg of a player while a team is trying to gain possession and is not intentionally kicking the ball, it is considered not to be a kick and the ball is treated as a lateral pass with applicable rules.

2 Restraining Zone

- 2.1 The first player to touch the ball kicked by the opponent (returner) has a 5 yard restraining zone: no player on the kicking team (including the kicker) can be inside the 5 yard area when the returner touches the football for the first time. Infractions result in a penalty for not respecting restraining zone (penalty with options; see different types of kicks). If a player from the kicking team touches the ball first, the ball is whistled dead and the restraining zone rule is in effect, even if no player from the receiving team is closer than the 5 yard area.

3 Kick Off

- 3.1 The kick-off is executed as the 1st play to start a half or after a touchdown. It can also be executed after a safety.
- 3.2 On kick-offs that occur after a touchdown to start a half; the football is placed between the hash marks on the side of the field of the kicking team, 10-yards away from midfield. For kick-offs after a safety, the ball is placed 20-yards away from midfield, between the hash marks and on the side of the field of the kicking team. The application of penalties can modify the placement of the football.
- 3.3 During a kick-off, the ball may be placed on the ground, held by another player, or it can be placed on a kicking tee. If placed on the tee, the football must not be more than 2 inches off the ground. A procedure penalty may be called for infractions. The team executing the kick-off is responsible for removing the kicking tee from the field once the ball is whistled dead. The team receiving the kick provides the football.
- 3.4 A huddle is not mandatory for a kick-off. The kicking team has 20 seconds after the official’s whistle to kick the ball. Once the time has expired, the official will stop the play and give a penalty for delay of game. If there is a second penalty for delay of game, the opposing team will take possession where the ball was spotted. After the penalty for delay of game, the official must inform both teams of the implications of a second penalty for delay of game.

-
- 3.5 Once the official has whistled the start of the 20 seconds, no player, either on offense or defense, may enter the field (penalty for illegal substitution). The official will make sure there are 7 players on the field for each team. A team that takes too much time to line up 7 players on the field for kick-off will receive a penalty for delay of game.

4 Offside on a Kick Off

- 4.1 Neutral zone: the neutral zone is the area between the kick-off line, the line 20-yards in front of the kick-off line and the 2 sidelines.
- 4.2 At the exact moment when the ball is kicked, all players on the kicking team (except for the holder) have to be behind the ball (if not, penalty for offside: 5-yard penalty and re-kick, or the receiving team may decline the penalty and take the ball at the point where the play stopped).
- 4.3 Until the ball is kicked, players on the receiving teams must remain on their side of the neutral zone (if not, penalty for offside: 5-yard penalty and re-kick or kicking team may decline the penalty and the receiving team takes possession of the ball at the point where the play stopped).

5 Kick Off Out of Bounds

- 5.1 A kick-off is out of bounds when:
- The ball goes out of bounds without touching the playing surface or end zone, any player or goal post;
 - The ball goes out of bounds by crossing the sidelines of the field of play after touching the playing field, but without touching a player or the goal post;
 - An out of bounds kick-off brings a penalty (with options).
- 5.2 Unless it is touched by a player on the receiving team, the ball must travel at least 20-yards (with or without any bounce) towards the opponent's end zone (if not, penalty for illegal procedure – 5-yards with options).

6 Kick Off Penalties

- 6.1 Delay of game on a kick-off: no options
- Kicking line moved back 10-yards and re-kick by the team at fault
 - 2nd consecutive infraction by the kicking team: lost of possession at the kicking line.
- 6.2 Offside on kick-off: options for team not at fault
- Kicking line is moved 5-yards back towards the team at fault and re-kick;
 - Penalty is declined and the possession of the ball is taken at the spot where the ball whistled dead.
- 6.3 Kick-off out of bounds: options for the receiving team
- Kicking line is moved 5-yards back towards the team at fault and re-kick;
 - Receiving team take possession of the ball 25-yards from the kicking line;
 - Receiving team take possession at the point where the ball went out of bounds.
- 6.4 No yard rule on a kick-off: options for team not at fault
- Kicking line is moved 5-yards back towards the team at fault and re-kick;
 - 10-yard penalty starting at the point of infraction and ball possession for the receiving team.
 - Penalty is declined and the possession of the ball is taken at the spot where the ball was whistled dead.
- 6.5 Illegal substitution on a kick-off: options for team not at fault
- Kicking line is moved 10-yards back towards the team at fault and re-kick;
 - Penalty is declined and the possession of the ball is taken at the spot where the ball was whistled dead.

7 Punting

- 7.1 A punt is executed to give possession of the ball to the opponents by pushing them as far back as possible into their zone. A punt can be executed at any time, on any down and without being announced.
- 7.2 A punt must be executed behind the line of scrimmage.

- 7.3 A punt is executed by a player who receives the ball by the center, then releases the ball with the hands to kick it before it touches the ground. After the snap from the center, the punter is the only player allowed to touch the ball before the kick (if not, penalty for illegal procedure).
- 7.4 During a punt, the procedures of punting the ball in play are the same as for a normal offensive play. Also, a minimum of 5 players must be on the LOS and no player of the kicking team is allowed to cross the LOS before the ball is kicked (if not, penalty for illegal procedure).
- 7.5 If the kicked ball is falling in an area where there are many players, the official can whistle the play dead while the ball is coming down. The ball becomes officially dead at the spot where the ball made contact with the ground or a player. The “no yard” rule doesn’t apply.
- 7.6 If a punt goes off the field by crossing a sideline inside the playing surface, the ball will be spotted at the exact yard line where it went out. If it goes off the field inside the end zone, then the rules of a single will apply.
- 7.7 During a punt, the receiving team cannot execute a forward pass.

8 Roughing The Kicker

- 8.1 A judgment has to be made by the official when contact is made with the kicker. Voluntary and deliberately violent contact made with the kicker results in a roughing the kicker penalty. Accidentally contact or 1 that is made with the attempt to avoid contact by the defender will result in a penalty for contacting the kicker.

9 Punt that does not Cross Line of Scrimmage/ Goal Line

- 9.1 The ball is dead when it touches the ground, a player or if it goes out of bounds. The “no yard” rule does not apply.
- 9.2 Punt that does not cross the goal line: when a punt is executed from the team’s own end zone and it does not cross the goal line, a safety will be awarded to the receiving team.

10 Tipped Punt

- 10.1 A tipped punt is a kicked ball touched by a player (offense or defense) immediately after being kicked, before it crosses the line of scrimmage and still continues its path towards the opponent’s end zone. A tipped punt is considered an untouched ball.
- 10.2 If the ball crosses the LOS, all the rules of punting apply. If it doesn’t cross the LOS, the ball will be dead the moment it touches the ground, a player, or goes out of bounds. The receiving team will then take over possession of the ball at the point where the ball was whistled dead. The “no yard” rule does not apply.

11 Blocked Punt

- 11.1 A blocked punt is kicked ball touched by a player (offense or defense) immediately after being kicked, before it crosses the line of scrimmage and does not continue its path towards the opponent’s end zone. The “no yard” rule does not apply.
- 11.2 If the ball touches the ground or goes out of bounds, the play is dead. The receiving team gets possession of the ball at the point where it was blocked.

12 Blocked Punt Recovered

- 12.1 When a blocked punt is recovered by the kicking or receiving team, the ball remains in play. When the kicking team recovers the blocked punt, continuation of the play is considered normal – the team may kick, pass or run the ball.
- 12.2 If a punt is blocked or tipped by the receiving team inside the end zone of the kicking team, and the ball does not cross the goal line or goes out of bounds inside the end zone, the receiving team scored a touchdown.

13 Punt Penalties

- 13.1 No yard rule: options for the team not at fault
 - 15-yard penalty from the point of infraction and 1st down is awarded;
 - Penalty is declined and ball is spotted at the point where the play was stopped.

-
- 13.2 Illegal procedure on a punt: options for the team not at fault
 - Loss of 5-yards for kicking team and re-kick.
 - Penalty is declined and ball is spotted at the point where the play was stopped.
 - 13.3 Contact with the kicker
 - 10-yard penalty from the LOS and replay down for the kicking team; if the yards gained by the penalty are sufficient, a 1st down is awarded to the kicking team.
 - Penalty is declined and ball is spotted at the point where the play was stopped.
 - 13.4 Roughing the kicker
 - 15-yard penalty and automatic 1st down for the kicking team.

14 Free Kick

A kick executed by a player after the ball has crossed the LOS.

- 14.1 The free kick is executed and is governed by the same rules as a punt.

Exceptions:

- All players can kick the ball;
- The rule of not crossing the LOS before the ball is kicked does not apply; the players of the kicking team are free to move, but the no yard rule for the returner is in effect.
- A free kick can be executed from behind the LOS only if the ball had previously crossed the LOS and came back behind it afterwards; otherwise the kick becomes a punt and punting rules apply.
- If a blocked free kick is recovered by the kicking team, forward passes are not allowed.
- A tipped free kick is a free kick touched by an opponent immediately after being kicked and still continues its path towards the opponent's end zone. The player who tipped the ball had to be within 5-yards of the kicker when he tipped the ball. A tipped free kick is considered an untouched free kick.

15 Punt/ Place Kick

- 15.1 The ball is dead after a punt when it touches the ground behind the line of scrimmage or snapped, and there is no play on the ball by either team.
- 15.2 The ball is dead after a punt when it touches the ground after being muffed in an offside direction by any player of the receiving team at any time. The ball is dead after a punt when it is downed by a player of the punting team. In all these cases, a ball touching any person or object out of bounds shall be considered to have touched the ground.
- 15.3 The ball is dead immediately after a punt or place kick on a convert attempt.

16 Kick Off

- 16.1 The ball is dead after a kick off when it is downed by the kicking team.

17 Penalties

1 Penalties

- 1.1 All penalties are 5-yards, the down will be repeated, and will be assessed from the line of scrimmage unless otherwise noted.
- 1.2 All penalties may be declined except dead ball fouls and penalties that stop the current play (Flag guarding, false start, etc.)
- 1.3 Penalties will not exceed half the distance to the opposing team's goal line from the line of scrimmage unless it is a spot foul. The ball can never be placed closer than the 1-yard line.
- 1.4 Game officials determine incidental contact that may result from normal run of play. Except as noted most penalties will be applied from line of Scrimmage.
- 1.5 Games cannot end at half time or the end of the game on a defensive penalty unless the offense declines it.
- 1.6 Penalties after an interception shall be assessed after the return is over and/or the play is blown dead.

2 Defensive Penalties

- 2.1 Offside – player(s) lined up across or crossing the Line of Scrimmage at the snap of the ball.
- 2.2 Disconcerting Signals – signals to distract or simulate offensive signals prior to snap.
- 2.3 Illegal Rushing – player(s) not lined up at least 12 inches on 1 side from rusher bean bag or rushing & crossing the Line of Scrimmage from inside the 7-yard rusher bean bag.
- 2.4 Pass Interference – both contact & non-contact that interferes with an offensive player catching a ball while it is in air, also includes screening & pushing off at Spot of Foul (Automatic First Down).
- 2.5 Illegal Contact – physical contact such as impeding, redirecting, obstruction, blocking, holding, & tackling as well as any upper body contact with an offensive player throwing the ball including the ball in their hand at Spot of Foul (Automatic First Down).
- 2.6 Illegal Flag Pull – pulling a flag of a player before they have the ball at Spot of Foul (Automatic First Down).

3 Offensive Penalties

- 3.1 Delay of Game – ball is not snapped within 30 seconds, play whistled dead.
- 3.2 Delay of Pass – ball is not passed by Quarterback in 7 seconds, play whistled dead.
- 3.3 Offside – player(s) lined up across or crossing the LOS at the snap of the ball.
- 3.4 Illegal Snap – Center lifting or moving ball to simulate a snap.
- 3.5 Flag Guarding, Jumping or Diving – ball carrier uses any part of their body or ball to prevent flags from being pulled or advancing the ball, play is whistled dead at Spot of Foul.
- 3.6 Rusher Interference – impeding a rusher's direct path to Quarterback (Loss of Down).
- 3.7 Player Out of Bounds – player goes out of bounds by themselves, returns inbounds & then touches the ball inbounds.
- 3.8 Interference – impeding, redirecting, obstruction, blocking with no contact, play whistled dead at Spot of Foul.
- 3.9 Illegal Contact – physical contact such as impeding, redirecting, obstruction, blocking, holding & tackling (Loss of Down).
- 3.10 Pass Interference – both contact & non-contact that interferes with a defensive player's catching a ball while it is in air, also includes screening, pushing off & pick plays (Loss of Down).

Adapted Rules

Flag football can be adapted for teams of individuals with disabilities. The game is played as outlined in the 5v5 rules and adaptive methods of play are as follows:

1 Field

Standard outdoor field

Standard length: 60 or 80-yards

Standard width: 30 or 20-yards

No Running Zone: Within 5-yards of end zone

1st Down

Adapted

No Running Zones: 5-yards from each goal line and 5-yards before the mid-field line. Any ball snapped from these zones must be passed.

*Purpose of the "No Running Zones" is to avoid short yardage power runs that can get out of control.

Flag football can be played by athletes using wheelchairs or other mobility assistive devices inside or outside on a flat surface such as parking lot or basketball court.

2.1 When using a gymnasium, the boundaries for basketball work well.

Each team begins at the foul line and has 3 plays to cross the center line to make a first down.

Field size should correspond on the skill level of the athletes and number of participants. It is necessary to routinely evaluate play and make adjustments as necessary.

2 Players

Standard:

Minimum Players: 4

Players per Roster: 6

Players on field: 5

Adapted (recreation):

Adapted teams likely will increase team roster to 10 to 15 players and play with 5 to 10 on the field.

The organizers can set the number of players on the field to reflect level of participants. For league or routine games, organizers may choose to trade players in order to balance teams.

Competitive Adaptation for Unified Sports Teams

- 2.1 The roster size is to be determined by the individual organizer (i.e. Special Olympics)
- 2.2 The roster may include able-bodied “partners” who play alongside an athlete with a physical or intellectual disability.
- 2.3 Athletes and partners must be similar in age and skill.
- 2.4 In the Unified Sports guidelines, when a partner is passing the football, another partner is ineligible to receive the pass.

3 Game Procedures

Standard Snap

To begin a play, the ball must be snapped through the legs of the offensive center, from the point of scrimmage to the quarterback. There is no minimal distance required by the quarterback who can be either up close to the center or in shot-gun formation.

Adapted

The Center can toss the ball back to the Quarterback without snapping the ball between his/her legs. The Quarterback can start the play with ball in possession.

Standard Downs

In Canadian Flag Rules there are 3 plays to cross mid-field or score a touchdown, while in IFAF Flag 5v5 Rules used in international competition, there are 4 plays to cross mid-field or score a touchdown.

The number of downs can be altered based on the skill level of the athletes, number of participants and size of the playing surface.

Standard Quarterback Run

All possession changes, except interceptions, start on the offensive 5-yard line.

Adapted

Possession changes start on 10-yard line.

Standard Time

The quarterback cannot run with the ball past the line of scrimmage, unless the ball has handed, tossed or pitched to another player and it has been returned.

Adapted

The quarterback may never run the ball.

Standard

Teams change end zones at half time (after 20 minutes has been played).

Adapted

Consider the age and skill level of participants, number of participants and the size and quality of playing surface to set the time of game

4 Player Equipment

Standard Flag Placement

A flag is placed on each hip

Adapted

A flag is placed on the back of wheelchair with Velcro

Standard Ball per age group:

U-11	Wilson K2
U-13	TDJ
13+	TDY

Adapted Ball

Gripper ball for any players with limited dexterity
One ball size smaller than standard for age group otherwise

5 Earning Points**Standard Points**

Touchdown: 6 points
1-point conversion (Played from midpoint of 5-yard line only)
2-point- conversion (Played from midpoint of 10-yard line only)
2-points awarded for a safety

Adapted

Limit option to 1-point conversion only with or without the no running zone.
For wheelchair ball, 2 wheels must be in the end zone while the player has possession of the ball to score any points.
A safety touch is not awarded when a player's momentum, while intercepting a pass in the field of play, causes the ball to be brought into the end zone, where it is eventually ruled dead; the intercepting team shall be awarded a first down at the point of interception.

6 Timing**Standard Tim**

Game length is 40 minutes. (2 x 20 minute halves)
Time allowed for half-time break is 2 minutes.

Adapted

5 or 10 minute half time

7 Wheelchair Safety

The need for contact in flag football is eliminated with the use of flags. Incidental contact between wheelchairs will occur and is part of the game, but flagrant attempts to hurt an opponent using a wheelchair will not be tolerated.

- 7.1 Dangerous contact such as hitting another player from behind is not permitted. This is referred to as spinning where an athlete strikes an opponent's wheelchair behind the main axis causing it to spin.
- 7.2 Direct physical contact between athletes is not permitted and is referred to as illegal use of hands or reaching in.
- 7.3 Holding, where an athlete uses their hands, arms or falling into an opponent is not permitted.
- 7.4 It is recommended that all wheelchairs be equipped with spoke protectors and anti-tip device at the back.
- 7.5 All wheelchairs must be equipped with adequate strapping to hold the athletes securely in place during the activity and to maintain good seating position.
